NEWSLETTER

EDITORIAL

To All Members:

Firstly, I must apologise to you all for the lack of Newsletters you have received since the start of the season, but there are several factors contributing to this, the main factor AGAIN BEING LACK OF SUPPORT FROM YOU!

As you are fully aware, we have had to stop running coaches to all matches and as a result, the money which used to be brought in on this is no longer there. Also printing costs is proving too high because of a general lack of funds available.

At the turn of the New Year it was decided that the club would run trains to nearly all the games, details available. The Club has been amazed by the support we have received from some of our more staunch members. We ask you - the members who we do not see a lot, to make the effort and support your club! We do not ask you to go every week but we would like to see some more new faces.

It is the wish of the club to have one of the best, if not the very best, supporters club in London.....BUT WE CAN ONLY DO THIS WITH YOUR FULL SUPPORT.

It is hoped that we will be able to print Newsletters regularly next season and also try to get our own badges made but these are all things of the future. At the moment we are getting the club back on its feet.

Over the Easter period, Easter Saturday we hope, the club will be holding its Annual General Meeting\* and we would like to see as many members present as possible, remember the Wolves are in London that day.

I hope these few words have explained some of the difficulties the Club has faced in the past few months.

REMEMBER: MORE MONEY FROM YOU...THE MORE WE CAN DO!

\* This Meeting has now definitely been arranged for this day. All those coming to meet at Victoria Station (S.R.) alongside Platform 9 at 19.00 hours.

TRAVEL INFORMATION

As explained earlier, the Club is now running trains to all games.
